Dear fellow sheep breeders

We are proud of the quality of Rams and Ewes we will present for sale. They are backed by 15 years of stud breeding experience.

This year we will continue to offer all of our stud rams at our annual sale. We believe that this year catalogue of rams is the best and most even group Wattle Farm has ever offered.

The quality of the rams on offer continues through right to the last lot.

We invite your inspection and encourage your feedback and honest assessment of our Wattle Farm Border Leicesters. We look forward to catching up with you and answering any queries you may have on our stock. **Wattle Farm is a proud member of Sheep Genetics Australia.**

Wattle Farm offers ongoing support to all our clients and a guarantee of soundness, health and fertility for any sheep we sell. We are confident that our sheep are the type that will increase profitability and sustainability of your breeding flock.

For your information please give due consideration to help with the productive life of your purchases:

- Wattle Farm recommends you take out Insurance Cover for your Stud or flock rams for the next 6 months as rams are susceptible to injury and death in this period.
- Your new ram(s) are better placed in a paddock away from other rams and ewes until joining where he can be feed well and looked after right up until joining.
- Lupins are a very good supplement around 6 weeks from joining and a proven method of increasing semen quality semen is manufactured six weeks prior to use.
- Rams tend to work much better with a shorter fleece so shearing should be considered which will consequently limit the potential for flystrike and grass seed issues
- Remember before sending your rams out to work, check teeth, check stones and check feet and make sure all are in excellent order.
- Your new ram is best placed with mature ewes and should not be overworked as he is your investment for future years to come.
- Every time you have your rams in the yards check them thoroughly to ensure a long productive life to get the best out of them.
- Drench your rams and maintain 6 in 1 vaccinations.
- Take care of your Wattle Farm purchases as they will take care of you.
